INCREASED PAY

Voted For Troops on Border by Senate
—Amendment Allowing Them to
Vote in the Field in National
Election Also is Adopted—
Camps Inspected by
General Bliss.

Washington, July 26—Increased pay for officers and men of the regular army and National Guards in active service for the Mexican emergency, improved camp conditions to safeguard their health and authorization for them to vote in the field at the coming presidential election were provided in amendments to the army appropriation bill agreed on today by the Senate.

By a vote of 44 to 13 the Senate also suspended the rule to adopt an amendment changing the age of military enlistment in the regular army from 18 to 21 years without the consent of parents or guardians.

Must Have Parents' Consent
Under the provisions boys under 21 now serving in the army would not be retained in the service unless they filed within 30 days the written consent of their parents or guardians.

The amendment was adopted without a roll call.
Under the amendment for increased pay officers will receive a 10 per cent and enlisted men a 30 per cent increase in pay.

The amendment giving soldiers in the Mexican service authority to vote in the field at the national elections passed without opposition.

Bliss Is Inspecting Camps

El Paso, Texas, July 26—Inspections of the camps of the 25,000 guardsmen on station here was begun today by Major General Tasker H. Bliss for the purpose of ascertaining the conditions under which the men are living. He paid particular attention to reports that some of the guardsmen are disgruntled with border duty.

"The spirit of the National Guardsmen along the border is excellent," he said. "While it is hot and dusty sometimes, exaggerated reports have been spread concerning their privations, which are negligible."

General Bliss added that the number of guardsmen who could be sent home, under orders, would still leave an ample number of men under arms to cope with any possible emergency.

Villa Is Reported Located

Chihuahua, City, Mexico, July 26—Villa, with about thirty men, is in the Canyon de las Huergas, Durango, according to dispatches from General

Timmer, sent by courier to Mapam and telegraphed to General Trevino today.

President to Ask For Big Navy Bill
Washington, July 26—President Wilson will begin tomorrow a series of conferences with members of the House committee in an effort to secure the acceptance by the House conference of the big naval bill of the Senate. It is understood he will exercise all his influence to overcome opposition to the big increases.

Secretary Daniels made a visit to the Capitol during the day and was assured that Democratic leaders were prepared to meet any further attempt to delay the measure and would force it into conference tomorrow.

MISS LUCRETIA RICE

Struck by an Auto While Crossing the Street at Second and Market Yesterday Morning About 10:30.

Yesterday morning about 10:30 o'clock, Miss Lucretia Rice, aged about 65, was struck by an automobile driven by Mr. John T. Mackey while crossing the street at Market and Second streets.

Miss Rice had been uptown shopping and was on her way home. While crossing the street at Market and the intersection of Second an auto driven by Mr. Mackey approached from the south. He sounded the horn of the machine and she started back toward the Farmers and Traders Bank. She then made another turn and drifted directly in front of the approaching machine. Mr. Mackey tried to turn the machine but was unable to do so before the lady was struck. The front wheels of the machine passed over the legs of the lady but the machine was stopped before the hind wheels had time to pass over her. She was removed to the sidewalk and upon the arrival of a doctor was taken to Hayswood Hospital.

At the hospital it was learned that no bones were broken although she had a large scalp wound. She was unconscious for some time and it was feared that she had suffered a concussion of the brain. She is reported as somewhat better this morning. Those who saw the accident said that Mr. Mackey could not be blamed in the least for the accident as he sounded his horn in time to give the lady warning. However, Miss Rice is somewhat hard of hearing and her eyesight is very poor. It is a very regrettable accident but at the same time a very unavoidable one.

NOTES FROM RUGGLES

What the Campers Are Doing At the Beautiful and Famous Campgrounds—Religious Services Start Today

Ruggles Campgrounds, July 26th, 1916—Tomorrow, Thursday the twenty-seventh, another camping week will begin. Since Sunday the camp is alive with a jolly crowd ready to enjoy camp life for two weeks, also the splendid services that are to be held. The first service will be at 10 a. m. Just who will deliver the "keynote" sermon has not yet been decided but it is likely that the new superintendent, Rev. E. R. Overly, will be the man to start things moving.

Mr. John Brishols brought out one of his finest new pianos today to be used in the musical part of the services. Along with the piano he brought about 200 fans which the campers are very thankful for, and will be still more appreciative if the present hot spell continues.

Rev. J. M. Lital and family and Miss Kate Freys of Greenup, who is to be the pianist arrived today.

Mr. I. M. Lane, president and general manager of the camping, with his wife came out Monday. Mr. Lane is bossing the job of getting the grounds cleaned up and every thing in shape and in order for the opening day.

Misses Grace Morris of Landon and Myrtle Weeks of Dayton, Ohio, arrived Monday and are pleasantly located at No. 10 Old Kentucky Home.

Hilton and Morris have the hotel going in good shape. They are serving some of the finest old country ham you ever tasted. They promise good eats all the time, including that popular Methodist dish—fried chicken.

Mrs. Thomas W. Telle and daughter, Miss Mable, arrived the first of the week.

Mr. Howard H. Rosser and family, and Mrs. William Rosser moved into camp on Wednesday.

Landy Foxworthy, the popular stable man, is on the job. Foxworthy Bros. have had charge of the stables for years and have given entire satisfaction to every one.

An important event preliminary to the beginning of camping is the arrival of the straw. It is here and those who have had to sleep on boards and hard beds are busy filling ticks for a day or so.

Rev. N. H. Young and wife of Louisville, Ky., Rev. G. N. Jolly, B. D. and William Jones of Ludlow are among the first ministers to arrive.

A bunch of the campers attended a pie supper given at a neighboring church last Saturday night. They report the pie was wonderful creations and the social part just fine.

"Billy" Soan and wife who have so faithfully and efficiently kept things tidy and nice about the grounds and cottages for years, are on the job early. They have the lights and everything looking fine.

Miss Virginia Mae Hurd who is to have charge of the children's service, arrived today and will camp at the Brierly cottage. Ruggles camping never had a more popular and successful worker with the children and young people than Miss Hurd. All rejoice that she is with us again in that capacity.

Mr. Lane announces that he has two cottages to let. Those desiring same apply to him at the grounds. While every cottage was taken it most always happens that circumstances prevent some coming at the last minute, hence the chance for some one else to come.

DISTURBED PEACE

In Police Court yesterday afternoon Police Judge Whitaker fined Daa Thomas and his wife, Myrtle Thomas, \$4.90 and \$6.50 respectively for breach of the peace.

Mr. and Mrs. Thomas reside on January street and during the past few weeks have greatly annoyed their neighbors by loud and incessant talking. On Sunday night together with another man, William Plummer, they again made a very great deal of racket and Plummer was taken to jail. Early yesterday morning according to the testimony of the neighbors they engaged in another wordy war and it is claimed that Mrs. Thomas threw a knife at her daughter. The neighbors made a great protest and she and her husband were brought into court for breach of the peace.

After hearing the evidence Judge Whitaker held both Mr. and Mrs. Thomas under a \$100 bond to keep the peace for six months which they promised to do. Both were fined one dollar and costs amounting to \$4.90 and \$6.50 respectively.

UNDERGOES ANOTHER OPERATION

Our notice of July 9th stating that E. S. Detwiler of C. & O. was doing nicely at C. & O. Hospital, since that time the X-ray disclosed the fact that the bones had never united properly and on July 18th he had to undergo another operation and have a plate fastened to the bones and is now back in bed for another long period. At present he is resting easy with hope for better luck from the last operation.

WILL FILED

In County Court yesterday a paper bearing the date of June 19, 1916, purporting to be the last will and testament of Jennie Bald, deceased, was produced in court and ordered filed. Messrs. J. Ed Parker and W. W. Ball were the attesting witnesses.

CHAUTAUQU PROGRAMS HERE

FIREMAN KILLED ON C. & O. FLYER

Train No. 6 of the Chesapeake and Ohio Railroad was derailed at Greenwood, Va., Tuesday at 11 o'clock p. m., and the fireman, F. R. Hower of Charleston, W. Va., was fatally injured. The engine and two cars were derailed. The cause of the wreck is not known as yet. No others were injured.

The train is the New York Special and leaves Maysville at 9:55 a. m. Several Maysville people were on the train at the time of the accident. West bound train No. 1 was two and a half hours late arriving here yesterday and No. 3 was six hours late. These trains arrive at 9:15 a. m. and 3:30 respectively. The delays were caused by the wreck.

TAKEN TO ASYLUM

Jerry Lewis and Bettie Johnson were taken to the State Insane Asylum yesterday by two of the guards of that institution. They were adjudged insane by County Judge W. H. Rice Tuesday.

MAYSVILLE MAN

Gets Deserved Promotion, Being Made Track Supervisor of C. & O. Between Silver Grove and Concord.

Superintendent J. B. Harrell of the Cincinnati Division of the C. & O., was a visitor in this city yesterday and with him he brought word of the promotion of James Broshears of this city to the position of track supervisor of that road between Silver Grove and Concord, Ky., to succeed Mr. Mike Reagan.

Mr. Broshears started on the road as section foreman on the section below Maysville about eight years ago and since that time his advance has been rapid in railroad circles. He was moved to Silver Grove last winter where he has been since. Mr. Broshears will have charge of the track between Silver Grove and Concord, Ky., this being a stretch of about seventy miles. He will have charge of laying and ballasting the track and will have charge of all the section crews in his district. He will make his headquarters in Maysville.

Mr. Mike Reagan, Mr. Broshears' predecessor, will be promoted to track supervisor of the terminal or from Silver Grove to Cincinnati. Mr. Reagan is one of the most popular men along this line and his many friends will regret to see him leave. He has been track supervisor on this district for several years.

The many friends of Mr. Broshears wish him the best of success in his new position and hope that in the future his progress will be more rapid. The change will be effective the first of August.

HELD TO GRAND JURY

Was John Darnell Charged With Grand Larceny—Trial Held Last Night at Seven O'Clock.

The trial of John Darnell charged with grand larceny was held in Police Court last evening at 7 o'clock. He was held over to the grand jury and his bond placed at \$500.

Darnell was arrested early Sunday morning by Officer Throckmorton for complicity with George Cummins for stealing a number of garments from a car. Cummins at the time of his trial pled guilty to the charge of grand larceny but said that he did not break the car.

On Monday night, July 17, Darnell was seen going up the stairs leading to Cummins' rooms with two large sacks over his back. Some time later Cummins came down stairs with several night gowns which he offered to his neighbors, refusing them. According to Cummins' story he had asked Darnell to carry up the gowns from the Gable Hotel which Darnell did for him. In his testimony he was ripped up several times and his evidence was very weak. He claimed that one of the sacks contained whiskey, three cases and also several bottles of beer.

Judge Whitaker after all the testimony had come in, decided that the case looked very clear to him and held Darnell over to the September term of grand jury.

TIGHT OF WILSON FOR CHILD LABOR BILL VICTORIOUS

Washington, July 25.—Yielding to an urgent request from President Wilson, Democrats of the Senate, in caucus tonight, determined to pass the child labor bill at this session of Congress.

The decision was reached after a long debate, during which several Southern Senators, whose opposition forced the measure out of the legislative program drawn up several days ago, vigorously objected to its reinstatement. The final determination to include it was reached without a record vote. It will displace the shipping bill on the Senate calendar, coming up as soon as the army and District of Columbia appropriations have been passed. The shipping measure will follow it in order and the revenue bill will come next.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

FRANK MAY.

J. O. HALL
Salesman for Skinner Mfg. Co.,

"All over my territory I see TUXEDO on every merchant's shelf; it looks like the whole world is trying to smoke TUXEDO. I never saw a brand make such a hit with the smokers. Well, of course, TUXEDO is superior in every sense, and every man wants the best that he can buy for his money. I can't see any other reason."

J. O. HALL.

TOM G. MALLON
Salesman for United States Elec. Supply Co., Chattanooga, Tenn.

"TUXEDO keeps me company on many a long ride, and what would be lonesome evenings if it wasn't for 'TUX.' It's always reliable—always pleases my taste and never bites or stings."

TOM G. MALLON.

M. G. KEOWN
Salesman for Armour & Co.,
Chattanooga, Tenn.

"When they see me coming in at the door, the clerk reaches for that old green can. Yes, it is that and nothing else. No sir, I would never sacrifice that good, sweet, mellow taste for any flavor I have ever found in any other can tobacco. Yes, it is 'TUX' or go until I find it."

M. G. KEOWN.

J. P. JONES
Salesman for the Mohr Mfg. Co.,

Live Wires of the Road Smoke and Endorse Tuxedo

The Perfect Tobacco for Pipe and Cigarette

There never was another tobacco like Tuxedo—none so sweet and mild, none so satisfying and comforting.

And the big reason is the *original* "Tuxedo Process." After the choice, ripe leaf for Tuxedo has been thoroughly mellowed by nature, that wonderful secret "Tuxedo Process" removes every particle of bite and makes Tuxedo the most *enjoyable* smoke that can possibly be produced.

You try Tuxedo for a week. The guarantee plainly printed in the top of each tin says that Tuxedo must be *entirely satisfactory* to you, or your money back.

"The tobacco that's worth while is the tobacco that brings a smile when everything goes wrong. Yes, you know it's that old 'TUX,' that word we have been seeing on every bill poster, in every show window; yes, in fact every nook and corner of the earth. Get on the 'cheerful band,' leaving all those old grouches and frowns behind you. It's all said and done if you will only get in line and smoke TUXEDO. Good-bye."

TOM BRAY.

C. E. STOOPS
Mgr. Stoops Bill Posting & Adv. Co.,

MAY SUSPEND PROTECTIVE TARIFF UPON DYESTUFFS

Washington, July 26.—The Senate finance committee is seriously considering amendment of the administration bill to suspend the operation of the proposed protective tariff on dyestuffs until the close of the European war. The purpose of the tariff is to build up an American dyestuff industry and it has been urged before the committee that the war, by virtually cutting off imports, is providing sufficient protection for the present to American dyestuff manufacturers.

The gauge marks 11.3 this morning and falling. The river men say that the river is going down very fast now and by Monday will reach the low water mark. This is good news to the many who frequent the North Beach during the summer months.

NEW MEAT MARKET

An innovation in the way of a meat market will be opened at 1011 Third avenue Friday morning, being one of the chain of stores conducted by Dierker-Wells Company, who have become famous as dealers who advertise, "No Phones, No Delivery, No Credit." But best of all, they claim to be able to sell meat from three to five cents a pound less than other dealers. The most expert meat cutters to be obtained in the country will be on hand to serve the trade, and a price-list of specials will appear in this paper, from day to day, stating exactly what certain meats will be sold for. The new market has been handsomely fitted up for the purpose and everything is neat as a new pin. Remember, the opening day is Friday, July 28.—Huntington Herald-Dispatch.

SAND BAR COMING OUT

The North Shore Beach is appearing after a two weeks' submergence under the yellow waters of the Ohio. Upon its complete reappearance it will again be infested with those seeking relief from the rays of Old Sol. The dancing pavilion has been completed and each night there will be a dance. The owners of the Gipsy King will make trips every hour to take over those who wish to go.

SOME COMPLAINT

There is quite a bit of complaint among some of the residents in the East End as to where the dirt from the streets is being put. A great deal of the metal is being hauled to vacant lots for the purpose of filling in these lots and the dirt is being put in the alleys. After a rain the alleys are almost impassable. Use the metal on the streets.

TOO DANGEROUS TO OVERLOOK

Maysville People Will Do Well to Heed the Warning.

To have good health, the digestion, heart, lungs and kidneys must work perfectly. When there is anything wrong with the digestion, heart or lungs, a very noticeable pain or distress gives prompt warning. Kidney trouble is more easily overlooked, however, and too often gains a long start. But kidney trouble does give early signs, and backache, headache, dizzy spells, rheumatic pains, too frequent, scanty or painful urination should not be neglected. When these warnings appear, use Doan's Kidney Pills, the reliable, successful, strongly-recommended kidney remedy. Assist the medicine by taking things easier, reducing the diet and the use of liquors. A severe attack of kidney disease may be avoided. Doan's Kidney Pills have won the grateful praise of Maysville people. Read this Maysville resident's endorsement.

W. F. Lynch, 127 W. Third St., Maysville, says: "My kidneys were weak and the passage of the kidney secretions were scanty and painful. Having used Doan's Kidney Pills before, I again got a box. They quickly restored my kidneys to a normal condition."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Nilburn Co., Props., Buffalo, N. Y.
